Human Dignity in the Age of AI

Thursday, October 15

7:30pm - 8:30pm

Reception to follow

Presented by:
Sister Judith Zoebelein, FSE

Amidst growing concerns about artificial intelligence and where it is taking us, the Church offers a balanced path forward. AI can be a powerful tool and a benefit to our world—if it is guided by the right moral compass.

In this presentation, we will explore Pope Leo XIV's landmark encyclical, *Magnifica Humanitas*. Together, we will examine what is at stake morally and socially for the human person, and discuss how we can help steer the global development of AI for the true good of humanity.
